# Delta Dental PPO Plus Premier™ Nationwide Networks

## If you use a Delta Dental PPO™ dentist

Your out-of-pocket costs will be lowest for services if you use a participating PPO dentist.

Your annual maximum stretches further because the PPO dentists' fees are lower.

Participating dentists may not charge more than Delta Dental's allowed charges and are paid directly by Delta Dental for covered services.

## If you use a Delta Dental Premier® dentist

Our largest nationwide network.

Your out-of-pocket costs will be higher, and your plan maximum will not go as far, since Premier dentists' fees are not as discounted as PPO dentists

Participating dentists may not charge more than Delta Dental's allowed charges, and are paid directly by Delta Dental for covered services

## You may use dentists that do not participate with Delta Dental

You are responsible for submitting the claim

You are responsible for making payment to the dentist

Your out-of-pocket costs are highest when you use non-participating dentists

# Carryover Max<sup>SM</sup> (COM)

- Allows members to carry over part of their unused annual maximum
- To qualify you must have one cleaning or exam during the calendar year
- You used up less than half of your Annual Maximum
- You can carry over up to 25% of the unused portion of your regular annual maximum up to \$500 per year.
- The accumulated amount can never exceed your standard annual maximum.

The chart below is a three-year example of how Carryover Max is applied based on a member's standard annual maximum amount of \$1,000

	Year 1	Year 2	Year 3
Your standard annual maximum amount	\$1,000	\$1,000	\$1,000
Carryover amount from previous year	N/A	\$150	\$150
Total benefit dollars available	\$1,000	\$1,150	\$1,150
Your total claims paid*	\$400 (less than \$500)	\$800 (more than \$500)	\$1,100** (more than \$500)
Cleaning or oral exam during the prior year	Yes	Yes	Yes
Carryover amount earned	\$150	\$0	\$0
Accumulated Carryover Max total available***	\$150	\$150	\$50

\* If you use less than one half of your standard annual maximum, then you are eligible for Carryover Max.

\*\* In year three, the \$1,000 standard annual maximum was exceeded, but the member had enough Carryover Max dollars accumulated (\$150) to cover the additional \$100 cost.

\*\*\* If you fail to see a dentist at least once during the benefit year for an oral evaluation (exam) or prophylaxis (cleaning) and submit a claim to Delta Dental for that service, your accumulated Carryover Max will revert to zero and you will begin another accumulation process.
