

The Fulbright Process at Wesleyan

Application Cycle 2023-2024

1. Learn the basics about Fulbright

- Watch a [webinar](#) or two & learn more about [ETA](#) and [Study/Research](#) awards
- Pretty sure you'll apply? Email fellowships@wesleyan.edu to be added to the Moodle page for Wesleyan Fulbright applicants

2. Explore! Learn about alumni and research countries

- [Sample application essays](#) are available on the Office of Fellowships webpage
- Check out the grantee directory tool on the Fulbright US Student Program website

3. **Connect!** [Book appointment](#) to meet with Office of Fellowships to discuss your plans.

4. **Finalize your award type and country and start the online application** (as early as April 1, ideally before July 15)

5. **Plan!** Make a plan for when you will work on your application; set personal deadlines and build in accountability. (Attend the application timeline workshop in June!)

6. **Write, Reflect, Revise, Repeat:** Draft and refine the two Fulbright essays

7. **Request recommendations:** letters of recommendation (S/R) or online form (ETA)

8. **Request and prepare for a [foreign language evaluation](#)** (where applicable)

9. **Craft paragraph answers** at the beginning of the online application

10. **Finalize your application materials and submit for the campus deadline** (September 12, noon) — in addition to fillable fields (jobs, activities), you'll need copies of all transcripts

11. **Prepare for your campus interview** (interviews will take place in the second half of September on Zoom; S/R interviews are 45 minutes; ETA interviews are 20 minutes)

12. **Revise based on campus committee feedback & submit your application for the national deadline (October 10, 5pm)** — plan to submit before Oct. 10; the deadline is firm
