**Why I chose Wesleyan:**
I chose Wesleyan because it offered the ultimate student-athlete experience. Academics are a top priority, but I always have time for lacrosse. I loved the idea that I could spend hours in the library reading up on neuro and still have plenty of time for sports. No other schools emphasized academics in the same way that the coaches did here at Wes. Knowing that I would have so much support on and off the field made my decision easy.

**Why I want to be a tour guide:**
I want to be a tour guide simply because I think everyone should go here. As every new student, I was nervous, but a week into freshman year I knew Wes would be my home for more than just the next four years. Being a tour guide gives me an opportunity to show prospective students this wonderful home from my perspective, one that I hope will excite them as much as it does me!
