

## **College of the Environment 2016 Internship Application Form**

Applications are **due by Monday, February 22, 2016** in the College of the Environment Office, located at 284 High Street. Internships are for either Summer or Fall 2016. You must have 2 letters of recommendation submitted by that same date. One letter should be from your faculty mentor, the second from another member of the Wesleyan faculty. Awards will be announced by **Friday, March 4, 2016 by 5pm.**

1. Name \_\_\_\_\_ Class \_\_\_\_\_
2. Major \_\_\_\_\_ Faculty Mentor \_\_\_\_\_
3. Wes PO Box \_\_\_\_\_ Phone Number \_\_\_\_\_
4. Email address \_\_\_\_\_
5. Second letter of recommendation will be from \_\_\_\_\_
6. You request:            Summer '16 \_\_\_\_\_ or Fall '16 \_\_\_\_\_ Internship
7. Briefly describe previous research experience (if any) and source of support.
  
8. How would a summer/fall research experience relate to your academic and professional goals?

9. In the space provided below, concisely describe your proposed summer/fall research project and how it relates to the ongoing research of your faculty mentor. If necessary, please describe the relevance of this research to Environmental Issues and Environmental Studies.

**I understand that this is to be my full-time commitment working in the internship provided by the College of the Environment. I further agree that, in accepting funds from the College of the Environment, I will not accept other funds for this or other work during this time, without prior authorization from the Director of the College of the Environment, Barry Chernoff and that such authorization is rarely given.**
