

The Office of Health Education offers online assessments on alcohol and marijuana. Assessments provide personalized feedback and may be completed individually, or in conjunction with a session with a Health Educator.

Alcohol eCHECKUP TO GO:

This 15-20 minute online program will take you through a comprehensive assessment of your drinking-related behaviors, followed by personalized feedback. To log on please do the following:

1. Go to <http://interwork.sdsu.edu/echeckup/usa/alc/coll/Wesleyan>.
2. Login with your Wesleyan ID and password.
3. Once you have completed the assessment, select: print results to save your summary of personalized feedback.
4. To schedule a follow-up appointment to discuss your results, contact Emily Pagano at epagano@wesleyan.edu. We ask that you share your results with your provider 48 hours prior to your appointment.

Marijuana eCHECKUP TO GO:

This 15-20 minute online program will take you through a comprehensive assessment of your marijuana-related behaviors, followed by personalized feedback. To log on please do the following:

1. Go to <https://interwork.sdsu.edu/echeckup/usa/mj/coll/?id=Wesleyan&hfs=true>
2. Login with your Wesleyan ID and password.
3. Once you have completed the assessment, select: print results to save your summary of personalized feedback.
4. To schedule a follow-up appointment to discuss your results, contact Emily Pagano at epagano@wesleyan.edu. We ask that you share your results with your provider 48 hours prior to your appointment.
