## Statements

### Statements

<p>Personal Statement: This should be a short statement in which candidates describe their intellectual development and other interests and pursuits.</p>	
<p>Proposed Academic Programme: Candidates should describe their proposed academic programme, giving reasons for their choice of course and preferred university. Those hoping to read for a research degree should give an outline proposal of the research they wish to undertake and with whom they would like to work. Candidates must also include a brief outline of why they have chosen their second choice courses and institutions.</p>
