Summer 2024

TO: CSS Sophomores, Juniors, and Seniors,

FROM: Gil Skillman and Sarah Wiliarty, CSS Co-Chairs

We look forward to meeting you at the All-College meeting scheduled for **noon on Wednesday, September 4 in the Zelnick Pavilion** (next to the Memorial Chapel).

For a complete overview of the CSS academic year, please see the CSS Calendar.

We will continue to host the regular social events that make life in the College richer for all of us: weekly Monday Lunch Talks, Friday afternoon Social Hours, and evening events including the Fall and Spring Banquets, the December Holiday Party, and the Spring Picnic.

Please see below for information specific to each class year.

Enjoy the waning days of summer. We look forward to working with you soon.

SOPHOMORES:

Please read the [“Registration Notes for Sophomores”](#). You must be prepared for your first colloquium and tutorial class meetings. Your first tutorial paper is due Friday, September 6. You should make every attempt to attend the weekly preceptorial meeting with your preceptor; these meetings are designed to help you prepare for the colloquium and Friday tutorial.

You will be taking the sophomore colloquium (CSS 271) as well as your first trimester tutorial into which you have already been assigned (CSS 220 or 230 or 240). You should register for one non-CSS course in the fall if you have not already done so. You should consult your CSS advisor about the courses you will be taking in the fall.

JUNIORS:

Please read the "[Junior Registration Notes](#)" document. If you are planning to be away from campus for the fall semester, please let us know where you will be by sending an e-mail to Martha at mcrebbin@wesleyan.edu.

Please review your plan for completing Stage I and Stage II General Education Expectations. If you have not yet completed Stage I, please submit your plan via email to Martha at mcrebbin@wesleyan.edu by Wednesday, September 4.

In the spring semester, you are required to take the Junior Colloquium, CSS 371. In addition, you will take a two-tutorial sequence that is equivalent to two course credits, choosing two of the three Junior Tutorials (Economics, Government, and History) on offer. A course description for these tutorials will be emailed to you in early October. **Please make a note to send your tutorial preferences to Martha Crebbin by Friday, October 11.** You will be pre-enrolled in your CSS classes prior to the spring semester pre-registration planning period in early November.

SENIORS:

Please read the "[Senior Registration Notes](#)" and the "[Senior Year Program](#)" documents we provided to you in a previous email. It is your responsibility to meet senior year deadlines.

Some of you are not yet Stage I or Stage II General Education Expectations compliant. **As you know, CSS seniors must be Stage II compliant in order to graduate from the CSS.** If you have not yet met this requirement, please submit your plan (or revised plan) via e-mail to Martha at mcrebbin@wesleyan.edu by Wednesday, September 4.
