University Honors Nomination Form ⸬

University Honors nominations are made within the Honors Management System. This form, in addition to the tutor's letter of support, should be filled out and uploaded to the Honors Management System as supporting documentation. Only students who were awarded departmental high honors (or high honors in General Scholarship) can be nominated for University Honors. All nominations must be anonymous and cannot be disclosed to the students.

General Education Compliance and Breadth of Education

The Honors Coordinator will provide the Honors Committee with a transcript, gen ed report, and credit analysis report for the student. However, if you have any comments to make regarding the student's coursework across the divisions, please enter them below. Keep in mind that the committee is seeking nominees who noticeably exceed the minimal requirements, which inherently demonstrates breadth across the curriculum. Please enter N/A for question 6 if you feel there are no short-comings in terms of breadth of education.

3. Humanities & Arts

4. Social & Behavioral Sciences

5. Natural Sciences & Math

6. If the record shows any notable deficiencies or falls short of the "excellence" stipulated in the 1979 faculty legislation, the department must explain why the student should be interviewed. *

Letter of Support for University Honors Nomination

Upload the letter from the tutor (or a person designated by the department as the most appropriate to describe the candidate). This letter should describe the candidate and **directly address the breadth of their education**. It should address the strength of the student's **entire record** and not focus exclusively on the thesis as the committee will already have access to the readers' reports.
