

TO: Class of 2021
RE: Departmental Honors
FROM: Susan Krajewski, Senior Associate Registrar (x2738)

If you plan to be a candidate for Honors in your senior year, it is important to know the following:

1. Know your department's policy regarding thesis tutorials; most require two consecutive semesters of thesis tutorial. Be sure that you register for the tutorial that your department requires of Honors candidates; for most students this will be DEPT409 in Fall 2020 and DEPT410 in Spring 2021. You must add the tutorial online during the Drop/Add period each semester. **If you intend to submit your thesis for honors consideration in more than one department, indicate that on your tutorial enrollment request form.**
2. Once confirmed by your department(s), each candidate registered for the appropriate tutorial is considered an Honors candidate by the Honors Committee. Students who are confirmed will be notified in early October.

Special Cases: Those who will complete course work in December 2020, candidates for Honors in General Scholarship, and University majors must contact Susan Krajewski. Students who complete their studies in December are now required to submit their honors thesis on the first day of classes in the following spring semester. **So December completions who are members of the Class of 2020 must register their thesis by 4pm on January 21, 2021.** For students interested in pursuing Honors in General Scholarship, a comprehensive application process must be followed. Complete information about this process is available at https://www.wesleyan.edu/registrar/honors/general_scholarship.html. Spring applications for General Scholarship were due Friday, May 8, 2020. The late submission application deadline to pursue Honors in General Scholarship is **4pm on Friday, September 11, 2020.**

Departmental Honors: To receive Honors upon graduation, all candidates must fulfill the Honors requirements of the major department. **Be sure that you know what your department requires.** Criteria for supervising and evaluating candidates rests solely with the academic department. Follow your department's procedure to obtain a tutor. If you are pursuing honors in more than one department, the honors decisions are made independently so you may receive honors from one department and credit only from the other.

The Jellybean Papers: Further considerations on writing the senior thesis and answers to many questions are available in the Jellybean Papers (known as such because they were once printed on brightly-colored paper). Copies of the 2020/2021 version may be found online.
http://www.wesleyan.edu/registrar/honors/jelly_bean_papers/index.html#jelly

Note: All honors theses are now bound double-sided. Please make sure to pay special attention to the new margin requirements and other formatting instructions in the Jellybean Papers to ensure your final thesis PDF adheres to all standards and expectations for double-sided manuscripts.

Thesis Carrels: Olin Library continues to manage the thesis carrel process. Due to the pandemic, the thesis carrel lottery will not be held until early October. Additional information will be conveyed to all thesis writers as decisions are made about how best to move forward. Please be patient with us as we work to keep everyone safe.

Important deadlines for 2021 Honors candidates:

- September 11, 2020: Final day of Drop/Add registration for the Fall tutorial. Register online in Fall 2020 during Drop/Add for the first half of your thesis (DEPT409).
- January 21, 2021: Early thesis registration deadline for December Completions.
- February 3, 2021: Final day of Drop/Add registration for the Spring tutorial. Register online in Spring 2021 during Drop/Add for the second half of your thesis (DEPT410).
- April 14, 2021: Honors Theses due by 4pm. Upload and register in WesPortal**
- April 28, 2021: Department recommendations due
All performances and exhibitions completed**
